

ARCTIC CRUISER

road legal

Rolling rolling rolling . . .

It's a long journey to nowhere in particular. And ARCTIC CAT has built the perfect 2-up cruiser to get you there. Duramatic automatic transmission. Hydraulic disc brakes. Push-button 4WD. Comfortable passenger seat. Protective fairing and windscreen. The lockable travel case is perfect for storing fuel, coolers and all the gear you need for the trip. Heated rider handlebar and passenger handgrips keep your hands toasty on long, cool rides. This machine has just about everything, except a passenger.
